Esteemed Applicant for membership on the Nuvein Board:

We at the **Nuvein Foundation for Literature and the Arts** are writing this notice to inform you briefly as to the mission of the foundation, the role of its memberships, and to specify how to declare interest..

The Nuvein Foundation, a CA 501(c)3 non-profit organization since 2007, has as its charitable mission to encourage young and established artists, to educate and offer educational supports for aspiring student artists as well as advocacy for arts education, and finally, to provide showcase opportunities for artists of all disciplines in the many communities of the San Gabriel Valley. In addition to sponsoring arts projects, organizing free community arts workshops and events, and advocating for greater arts access and programming, Nuvein awards a yearly scholarship or aspiring student artists.

It is our intent, to incorporate arts advocates, community organizers, and active artists from across the San Gabriel Valley into our board of Directors. We hope that members of our board represent the diverse and thriving communities of this region from Pasadena to Pomona, Azusa to South El Monte, and everywhere in between.

If you are interested in becoming a member of the board please send a short statement of interest to **Jeffrey Bickel**, Nuvein Treasurer, at [nuvein@gmail.com](mailto:nuvein@gmail.com). Please ensure that your statement answers the following questions:

- 1) How did you hear of the Nuvein Foundation? Have you attended any events? Which ones?
- 2) In what way does Nuvein's mission connect with you? Are you an artist?
- 3) Tell us about any projects you have taken on in your community. Are they arts related?
- 4) What projects, events, or proposals do you think the Foundation should take on?

Finally, should you have questions concerning the **Nuvein Foundation**, its programs and resources, as well as how to donate or volunteer, please don't hesitate to contact **Christopher Trevilla**, President of Nuvein, at [ctrevilla@nuvein.org](mailto:ctrevilla@nuvein.org) .
