

**Micro Grant / Arts Project
Proposal & Presentation Template**

The core values of the Nuvein are EDUCATE, ENCOURAGE, and SHOWCASE. The mission of the Nuvein Foundation is to connect communities through the arts in a positive, meaningful, and lasting way. In the words of its founder, the late Enrique Diaz, Nuvein's purpose is to stand for those 'voices seldom heard in a world increasingly devoid of diversity', in a word, the artist's voice.

All projects/proposals must embody the core values, further the charitable mission, and stand in line with the purpose of the Foundation.
